## OPEN-TOP OBSERVATION CARS.

Novelty in railway passenger equipment will shortly be introduced by the Denver & Rio Grande Railroad Company. That Company are now building a number of open-top observation cars to be attached during the summer months to its daylight trains running through the Royal Gorge, Grand Canon of the Arkansas, Canon of the Grand River, and the Black Canon of the Gunnison. These cars are modern construction and have a seating capacity for twenty-two persons; sides but no tops, being entirely open, thus giving passengers from California to the east a free and unobstructed view of the grand scenery of the Rocky Mountains.

These cars will be entirely at the service—free of charge—of all occupants of through sleepers of all classes.

This is but one of the many comforts and advantages offered by this, The Scenic Line of the World. Ask W. J. Shotwell, General Agent, 625 Market Street, for handsomely illustrated traveler's guide; sent free of charge.
